Subject: Submission of Research paper and regarding proposed conference submission

Respected Ma'am,

I am writing to inform you that our project team has completed the research paper based on our current major project titled "De Novo Molecular Generation Using an LSTM - Based Variational Autoencoder with a Bidirectional Encoder."

As the research paper has not yet been submitted to any conference / journal, we are submitting the completed paper to you for review and approval.

We therefore request you to kindly review the research paper and provide your comments regarding its current status and suitability for submission.

Thank you for your guidance and support.

Yours sincerely,
Anushka Tayal,
Team Leader PCSE-60

Target Conferences:

1. SISIMPACT 2027 (IEEE)
2. IEEE AIEE 2027

Supervisor's comment: Research Paper has been finalized, conferences has been shortlisted. Only submission is left.
